Foreword

The Commerce Department is pleased to present this year's crafts exhibition of a variety of artisanal work in various media including ceramics, textiles, precious metals, paintings and wood amongst others, all of which have been artistically created by a versatile number of talented artisans.

This exhibition marks the 7th edition of the Premju Ġieħ l-Artiġjanat Malti, organised by the Commerce Department in collaboration with the Ministry for the Economy, Investment and Small Business. Category 1 of this well established competition was open to crafts products which were judged according to their level of innovation and creativity.
